Profile

Aspiring **Data Analyst** with a Master's in Computer Applications and hands-on experience working with **SQL, MySQL, Python, Power BI, and relational databases**. Strong foundation in data handling, database management, application data workflows, and problem-solving. Experienced in developing database-driven applications and working with structured data using MySQL and SQL. Seeking an entry-level **Data Analyst** opportunity to apply analytical and technical skills to business data and decision-making.

Skills

Data Analysis
- Python
- SQL
- DAX

Visualization & BI
- Github
- Power BI

Databases
- Sql
- Oracle

Data domain
- Data cleaning
- Data Handling
- ETL
- Data visualization

Experience

Java full stack developer, *code crafter service* 06/2025 – 09/2025

- Developed responsive and cross-browser web interfaces using HTML, CSS, and JavaScript for a Home Cleaning Assistant application.
- Designed interactive UI components and integrated them with backend services to support end-to-end workflows for service management, customer bookings, and CRUD operations.

Projects

1. Sales Performance Analysis & Power BI Dashboard, *(Python, Pandas, SQL, Power BI)*

- Cleaned and analyzed sales data using **Python, Pandas, and SQL**.
- Created KPIs including **Total Sales, Profit, and Average Order Value**.
- Developed an interactive **Power BI dashboard** with product, region, category, and monthly filters.
- Identified **sales trends, top-performing products, and low-performing regions** to generate business insights.

2. Employee Performance & HR Analytics Dashboard, *(Python, Pandas, SQL, Power BI)*

- Analyzed employee data using **Python, Pandas, and SQL** to identify workforce and performance trends.
- Calculated KPIs including **Total Employees, Average Salary, Attrition Rate, and Performance Score**.
- Built an interactive **Power BI dashboard** for department, salary, performance, attendance, and employee analysis.
- Identified **department-wise salary trends, performance patterns, and employee attrition** to generate HR insights.

Education

Master of computer application, 07/2024 – 06/2026
D. Y. Patil School of Engineering & Management,kolhpur Kasaba bawada
CGPA - 8.20

Bachelor of computer science, *Vivekanand college ,kolhapur* 08/2021 – 06/2024
CGPA - 6.90 Tarabai park, kolhapur
